DECLARATION OF MANUEL ALBERTO MARTINEZ

I, Manuel Alberto MARTINEZ, hereby declare and say that the following statements are true and
correct, under penalty of perjury:

1. I reside with my wife and children in Kings County, New York
2. I was born in Mexico in 1972. I am currently a lawful permanent resident of the
United States and have a pending US naturalization application. At the age of 17,

I came to the United States to seek a better life. I have been a permanent resident since April 2001.

3. My wife and I are both raising three U.S.-born children - a five year old son, a seven year old daughter, and an eleven year old daughter. My wife, a Mexican national, was recently approved for lawful permanent residency through my spousal sponsorship. Her petition was filed and pending since 2001.
4. I presently am employed as a plumber / maintenance employee at a major hotel chain in New York City.
5. I am a homeowner of the private house in which my family and I live.
6. On or about January 25, 2006, my immigration lawyer submitted an N-400 application for naturalization to USCIS.
7. On February 7, 2006, USCIS issued a notice confirming receipt of my naturalization application and payment. See, Martinez Ex. 1
8. On February 24, 2006 I went to my fingerprint appointment.
9. On May 10, 2006, I was interviewed at the USCIS Garden City, New York office. I was informed that I passed my naturalization examination and needed to wait for a notice of the oath-taking ceremony.
10. After waiting a while, I made several phone calls to the USCIS customer service line in 2006 and in 2007. I received USCIS' letters dated April 17, 2007 and November 14, 2007 with identical replies that the processing of my application could not proceed and was delayed "as the required investigation into your background remains open." See, Martinez Ex. 2.

11. My immigration lawyer also made inquiry to the USCIS. On February 13, 2008, he wrote to the naturalization section chief of the USCIS in Garden City. There has been no reply from USCIS.
12. These delays in obtaining my US citizenship are difficult and have caused me anxiety and problems. They created barriers for my family and for me on life decisions.
13. My immigration petition for my wife was filed in 2001. The length of the wait has been years. The processing of her permanent residency application would likely have been faster if there were no delays in my obtaining U.S. citizenship. As a United States citizen, one has the right to convert the second preference residency petition into an "immediate relative" petition which is typically processed much quicker.
14. I want to be able to vote in the 2008 Presidential elections. It is a major goal in my life. I value the opportunity to elect the leaders of this democratic country. I do want to participate in meaningful ways as a new citizen.
15. I want to sponsor my mother to live with my family in the United States. She is encountering some personal problems and I want to provide her with a stable home. Only US citizens can sponsor a parent under the immigration laws.
16. As of this date, my naturalization application has not been adjudicated. It has been over 25 months since the date I submitted my naturalization application and over 21 months since the date of my examination.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Executed this 28 day of March, 2008.
